

## SEMIANNUAL REPORT OF BULLYING

In accordance with the required semiannual written report of all reported bullying incidents.

It is normal practice upon receiving a complaint of harassment, that the School Resource Officer, building Principal and any necessary staff members be involved in the investigation of the complaint.

During the months of August thru December, there were 5 reported incidents of harassment. After further investigation it was determined that 4 of the incidents were mutual disagreements and not bullying incidents.

There is 1 reported incident of bullying. It involved 2 male students. The perpetrator violated school rules; #4 Harassment of other student, #9 Abuse of another by bullying and, #30 Use of obscene language. The perpetrator was suspended from school for 5 days.
